About **Select EUROPE** Investment Summit

The Select EUROPE Investment Summit aims to bring more sustainable investment to Europe and to create more Job opportunities by promoting the competitiveness of the European Regions (ER) on a global scale. European Regions will be providing guidance, incentives, and a range of other services at the local level for sustainable Investment in front of Companies of all sizes that are looking to relocate or establish their Business within the Europe.

The promotion of recovery, green growth, employment, and well-being across Europe is one of the EU's and the Select EUROPE Investment Summit top priorities supporting investment that delivers real benefits and makes a difference at the local level.

A special dedication will be given to highlight and accelerate and support Doing Business in European Union and other 6 European Countries which still do not belong to the Union.

Select EUROPE

Summit is focused on four main target groups:

1 ▪ **Investment Promotion Organizations (IPAs) / Regional location promotion organization / Economic Development Organizations (EDOs) to support them on attracting sustainable direct Investment (SDI) through being attractive Business location destination.**

2 ▪ **Companies of all sizes find the information they need to make decisions, connect to the right people at the State, regional and local level within the EU.**

3
▪ Skilled workers from outside the EU to Select EUROPE

Europe needs more forces from third countries and we at Select EUROPE want to offer the opportunity to attract skilled labor from countries outside the EU to improve the demographic situation in Europe.

4
▪ European Tourism Promotion

Agencies to promote the regions of Europe in front of all those who are attending the Select EUROPE Summit and present the sustainable Investment Opportunities in Europe.

It is designed to deliver face-to-face meetings with the best global businesses.

We work hard to ensure that our exhibitors get the highest quality prospects.

Who will exhibit, Attend, or speak at the Summit?

- **Investment Promotion Organizations (IPAs) / Regional location promotion organization / Economic Development Organizations**
- **Cities & Regional Authorities**
- **Promote & Introduce Economic Zones**
- **Family Offices and Companies that are looking to Invest and/or Relocate**
- **European Tourism Promotion Agencies**
- **Immigration services providers and Authorities to share information about Business immigration and Residence Permits.**
- **Experts and Skilled workers from outside the EU to Select Europe as their future Home**

How and why IPAs are attending **Select EUROPE**

Regional location promotion organization / Economic Development Organizations leverage SelectEUROPE Summit to attract sustainable direct investment (SDI) and to present themselves as Business location destination on central, regional, and local/City level.

The Services for Investment Promotion Organizations (IPAs) / Economic Development Organizations (EDOs) include offering up-to-date information, strategic counsel, and platforms for amplifying their investment attraction efforts. We focus on promoting the competitiveness of the European industry on a global scale and to transform it towards a sustainable and low-carbon future. IPAs representatives provide guidance, incentives, and a range of other services at the local level for Investors. Select EUROPE will also connect businesses with EU resource networks. For example, companies seeking to manufacture and export from the EU also have access to a network of trade and investment experts within the EU Official representatives and the Business Associations network in all European Countries and their representatives' offices outside of EU.

How **Select EUROPE** supports Family Office Investors and Companies that are looking to Invest and/or Relocate

Select EUROPE offers support to companies providing information they need to make decisions, connecting to the right people at the State, regional and local level within the EU, such as how to start a business in the EU, what funding is available, rules about employing people, social and ecological responsibilities, taxation, accounting rules and which Economic Zones are the best to locate or expand operations in Europe.

All information this information will be readily available at the Summit.

Our Team works one-on-one with companies to provide data and other information, and link companies with partners and resources to help them succeed. Select EUROPE investment specialists help companies to clarify the type of investment that a company seeking to make in Europe.

At the same time Family Offices from third countries are welcomed to build their main base-head office in Europe.

The necessary data required s shared on a wide range of topics – from the overall economy and investment trends through industry overviews and information about consumers, the workforce, supply chains.

Events such as the Select EUROPE Investment Summit, trade fair pavilions, and seminars are a convenient and cost-effective way for business investors to meet state, territorial, regional, and local economic development representatives from across the Europe under one roof.

Select EUROPE to work and Live

Another objective is that Europe needs more forces from third countries and we at SelectEUROPE want to offer the opportunity to attract skilled labor from countries outside the EU to improve the demographic situation in Europe and keep the economy stabil.

The European Commission welcomes the agreement reached in May 2021 by the European Parliament and the Council on new rules for the entry and residence of highly skilled workers from outside the EU under the revised Blue Card Directive. The new scheme will introduce efficient rules for attracting highly skilled workers to the EU, including more flexible admission conditions, enhanced rights and the possibility to move and work more easily between EU Member States. Agreement on the revised Blue Card is a key objective of the New Pact on Migration and Asylum.

Select EUROPE as your next tourism destination, meet the European Tourism Promotion Agencies from European regions and spend your next experience in Europe.
